

NOVEMBER 12TH, DAY 205, 6:30PM

INTERSECTIONS OF RACE AND AGRICULTURE

Michelle Osborne and Laketa Smith of the Rural Advancement Foundation International (RAFI-USA) will share historical and contemporary examples of how racial inequities have played out in the American agricultural system and the work that is currently being done through RAFI's Farmers of Color Network to disrupt patterns of inequity and equip farmers of color throughout North Carolina.

*Pizza provided for those RSVP at epierce@mhu.edu by November 11
