

2022 VISION INSURANCE

BENEFITS YOU RECEIVE:

- Eye exam once a year - \$10
- Contact lens fitting, re-fit or evaluation once a year - \$25 copay
- \$130 allowance for eyewear annually (\$25 copay)

The allowance can be applied to frames, spectacle lenses, contact lenses, special lens options, or any combination. As long as you select eyewear having a retail price that's less than or equal to your allowance, the only out-of-pocket expense you incur for the eyewear is the \$25 copay.

How to Use the Benefit:

- Select a provider from the Community Eye Care provider network (to locate a provider in your area, go to www.cecvision.com).
- Call the provider to make an appointment, and let them know you have Community Eye Care coverage.
- See the doctor and select your eyewear.
- Your only payments to the provider are your copays, plus any discounted amount that exceeds the \$130 eyewear allowance.

Claims:

There are no claims to file when you see an in-network provider. Network providers file claims on your behalf. Additionally, most CEC network providers offer discounts on the coverage if you exceed your allowance – 20% on glasses and 10% on contact lenses. Maximum coverage for contact lens exams is \$100 for fittings and \$80 for annual evaluations. If you see a non-network provider, simply submit a claim for and a receipt to Community Eye Care.

EMPLOYEE PAYS:

Coverage Tier	Employee Monthly Premium
Employee Only	\$6.20
Employee + Spouse	\$11.44
Employee + Child(ren)	\$11.98
Employee + Family	\$17.94
